

# First Grade News

September 24-September 28

## Notes from the teacher:

√ SAVE Remind App login information to stay in contact with classroom teacher. You do not need the app unless you want to see pictures of what we are learning daily or weekly, though I highly recommend the App. Without the app, you can still receive regular text messages of what we are doing in class but without pictures.

√ Clean left side of folders every Friday.  
 √ September Reading Log is due at the end of the month. Grades can be lowered if incomplete.

√ Check student's report to work on areas that needs improvement at home.
