Asalamu Alekum Dear Parents:

### 5<sup>th</sup> -6<sup>th</sup> Grade:

Last week the students learned the location of the states in the southwest region and they also learned what are the states, capital and abbreviation of the southwest region. I provided for each student worksheets of the southwest region and played games with the students to learn the capital and the states. For this week, they will start learning into details about what is in the southwest region such as landmarks, culture and resources. On Monday, I will provide for each student a package of the southwest region. I encourage each student and parent to check “ENGRADE” and follow everyday their kid/s “BEHAVIORAL PLUS”.

### 7<sup>th</sup>- 8<sup>th</sup> Grade:

Last week the students started on a new lesson “The Islamic Golden Age” which I provided for each student worksheets that talks about the beginning of the Islamic Golden Age. I assign for each group a topic which they had to work as a team to provide a summary of their topic and 3-4 questions to ask their classmates. At the end the students were graded based on their summary, questions and team work. I will send with the students their final grade of their work, please have it sign and return to me. For this week, they will embark on a

new journey by introducing to the students about “Ibn Haytham”. I encourage each student and parent to check ENGRADE and follow everyday their kid/s BEHAVIORAL PLUS.
