

Weekly News

Assalaamalaikum dear kindergarten parents. We all had a wonderful week learning more about the letters of the alphabet, counting numbers together, observing the leaves change color, painting animals and so much more. The kids really are understanding the rules of the classroom and are learning to be respectful of each other and their surroundings. Thank you Parents for encouraging our kids to be great.

Dates to Remember

October 25th: Field Trip

Star Student

Amal Ihmud:

Amal comes in everyday ready to learn. She follows all the directions in class and gets along with all her classmates so beautifully.

This week she led the whole class in building a big map of the ABC's. She is our shining star this week :)

A Look at Next Week...

- English: Letters V, W, X, Y and Z
- Math: Tracing numbers 1-40 and counting pumpkin seeds
- Science: Planting a seed, observing and describing a pumpkin and drying grapes to make raisins
- Social Studies: Needs vs. Wants
- Art: Acting stories and Painting Pumpkins
