

WEEKLY SOCIAL STUDY NEWSLETTER

Asalamu Alekum Dear Parents:

5th -6th Grade:

Last week the students finished with “The Apache” lesson and for this Monday the students have a test on Southwest region and the apache. For this week students will start on a new lesson “Northeast region”. Students will learn about the states and capitals. I encourage each student and parent to check “ENGRADE” and follow everyday their kid/s “BEHAVIORAL PLUS”.

7th- 8th Grade:

Last week the students learned about the history of voting and they discussed different topics related to voting. This helped and encouraged the students to “think outside of the box”. For this week students will work on their project called “Current Event”, each student picked a topic from recent news, which is related to voting and they will summarize the article and present it in class on Thursday and on Friday students will present their article during the assembly. I encourage each student and parent to check ENGRADE and follow everyday their kid/s BEHAVIORAL PLUS.

A Reminder for Both Classes:

- 1- I will be posting everyday about the student's behavior on the Engrade website, and I will be commenting on how they can improve their behavior, I encourage all parents to also look at their child/ren behavior comments.
- 2- They all need to follow the classroom rules, it's very important that the students follow these rules.

Classroom Rules:

1. Be respectful to yourself and others.
2. Listen when others are talking.
3. Follow directions
4. Show respect for school and personnel property.
5. Come to class with all the materials needed.
6. No swearing, teasing, hitting, no pushing or putting others down.
7. Come to class prepared.
8. Everyone's ideas and comments are encouraged.
