

Weekly News

Assalaamalaikum dear Parents. This was a very eventful week. The Qur'an competition was a true success for our beautiful Kindergarten children. Thank you parents for all your support.

If I may request each parent to send a change of clothing for your children in case there is any accident during the day. Also, if you send each child with a bottle of Clorox Wipes for the classroom, it will really help us to keep our environment extremely clean.

This past week the kids were able to count and add to 10, write and memorize sight words and beginning blends. I will continue to test them to see if they remember everything I have taught them.

Dates to Remember

Tue 11/13:

- Sight Word Quiz
- Annual Title I Meeting with parents @ 8:30-9:00 AM

Wed 11/14: Math Quiz on counting and coloring boxes

Wed-Fri 11/21-11/23: No classes for thanksgiving break

Reminders

- Continue to send healthy snacks with your students even on Mondays and Fridays; they are very hungry growing kids :)
- Review your child's English and Math worksheets, as well as their English notebook everyday to review what they have learned; otherwise, they will forget

Star Student Sumer Al Rifae

Sumer is very helpful to myself and all her classmates. She knows right from wrong and always serves as a great role model to everyone on how to behave properly. Her heart is very kind and she lights up Kindergarten with her loving energy.

A Look at Next Week...

Next week we will learn new sight words and begin creating a book together using all the sight words we have learned. The book will be about our classroom. The artwork will be created by our students. I will work on counting and graphing with them in math class and doing more addition problems with them. The theme is fall/autumn and the month is November; so in art class, we will work on art work related to this. Thank you!

Helpful Hints

I normally send out my newsletter each Friday with information on the current week as well as upcoming info. (sight words and a look at next week).

To add information to your newsletter simply insert a text box in each section of the template. I inserted a text box in the top section (the sign) to include my name and the date (see example). You could just put in the date or the month if you are doing a monthly newsletter. In the Star Student box, I added a picture of the child and then some information from their poster.

I have included some blank text boxes for you if you would rather copy and paste them into the spaces... just click on them on the next page and the box will appear. You can change the size and type of font you use to give yourself more or less space.

You can also save your work in another folder and keep these as your templates to reuse each year.

Thank you so much for purchasing this newsletter set. If you have any questions or problems, please feel free to contact me at chris7470@comcast.net and I will do my best to solve any issues.

Sincerely,

Christina Kazanjian
