

## Weekly News

Assalaamalaikum Parents! Time is flying in our Kindergarten class and the kids are learning fast. They are reading sight words, drawing pictures connected to math problems that involve subtraction and addition, graphing using bar graphs, writing sentences and are answering critical thinking questions during our story time.

If I may please request that each parent send their child with extra folders. Some of the students' folders are beginning to tear and so they definitely need replacement folders. Thank you dear parents for all your support in their learning.

### Dates to Remember

Mon 11/19:

-Sight Words and  
Beginning Blend Quiz

Tue 11/20: Count to 30

Wed-Fri 11/21-11/23: No  
classes for thanksgiving break

### Sight Words

### Reminders

- The students need snacks everyday, including Monday and Friday. We no longer provide snacks.
- There is no school on Wednesday, Thursday or Friday
- Please continue practicing on counting to 30 with your child.

### Star Student

#### Bashar Kouk

Bashar is a wonderful boy. His wish is for everyone to get along. Every day Bashar wants to be a better student than the day before. He asks me, "Am I doing better today Mrs. Madiha?"

When Bashar is happy he tells people "I love you" and when he makes a mistake, he slaps his forehead and exclaims "Silly me!"

His motivation to be a better version of himself inspires everyone in our kindergarten classroom to be better.

### A Look at Next Week...

We will finish the book the students have begun to write about our kindergarten class. Each student will receive a copy of this book so to review it during their time off from school. All the sight words and beginning blends will be highlighted as this will prepare them for their test upon returning to school. The theme of next week is what we are grateful for and we will create paper turkeys that will tell you what your child is truly grateful to Allah (SWT) for.

# Helpful Hints

I normally send out my newsletter each Friday with information on the current week as well as upcoming info. (sight words and a look at next week).

To add information to your newsletter simply insert a text box in each section of the template. I inserted a text box in the top section (the sign) to include my name and the date (see example). You could just put in the date or the month if you are doing a monthly newsletter. In the Star Student box, I added a picture of the child and then some information from their poster.

I have included some blank text boxes for you if you would rather copy and paste them into the spaces... just click on them on the next page and the box will appear. You can change the size and type of font you use to give yourself more or less space.

You can also save your work in another folder and keep these as your templates to reuse each year.

Thank you so much for purchasing this newsletter set. If you have any questions or problems, please feel free to contact me at [chris7470@comcast.net](mailto:chris7470@comcast.net) and I will do my best to solve any issues.

Sincerely,

Christina Kazanjian
