

## WEEKLY SOCIAL STUDY NEWSLETTER

Asalamu Alekum Dear Parents:

### 5<sup>th</sup> -6<sup>th</sup> Grade:

Last week the students learned about the states, capitals and the abbreviation of the northeast region. For next week, students will continue on the northeast region learning about the land, water and climate. I will also, assign a topic and groups for the discussion/debate for the students.

### 7<sup>th</sup>- 8<sup>th</sup> Grade:

Last week the students were assigned into groups for their projects, and they assign among themselves the topics they will be presenting, and they also worked on a summary on their topic. This week the students will be using the computer lab because they will start working on their project and their topic is “Republican and Democrats”. For this project students will be using PPT to present their topics.

### A Reminder for Both Classes:

- 1- I will be posting everyday about the student’s behavior on the Engrade website, and I will be commenting on how they can improve their behavior, I encourage all parents to also look at their child/ren behavior comments.
