ICCI Academy | Mathematics Newsletter | Mrs. Sejla

FIFTH GRADE

Students will continue learning Unit 5 in Everyday Mathematics. We will focus on equivalent fractions and move on to decimals.

SIXTH GRADE

Students will start off the new section with adding and subtracting fractions, and mixed numbers. And will learn how to solve a fraction multiplication algorithm.

SEVENTH GRADE

Students will begin the section of proportions and percents.

EIGHT GRADE

Students will continue solving equations, with infinite or no solutions and lastly solve exponent equations.

Mathematics is the art of giving the same name to different things.- Henri Poincare
