

WEEKLY SOCIAL STUDY NEWSLETTER

Asalamu Alekum Dear Parents:

5th -6th Grade:

Last week students presented their State Plates and they worked on the Mural during our class by adding their State Plates. For this week, they will start learning about the Midwest region, they will receive a package this week and they should read pages (1-6).

7th- 8th Grade:

For this month the 7th graders will start preparing for the Constitution test and the 8th graders will start preparing for the Illinois test. Students will receive questions for the Constitution and the Illinois test, and they will also be working with flashcards to prepare them for the test. Please review with them at home that way they can retain the questions and review them. I have not set the date yet for their tests, but I have set a month which it will be in March.
