2nd Grade Room 203

February 8, 2019

## Greetings

Al Salam Alkum

Dear Parents ,

Great progress on everybody's part in second grade ,In sha Allah , you will see better results ,I am very happy to see great student's achievements that are thriving in class .

By the end on the month there will be another science mini project only on paper with picture making it into a booklet ,I will pass the project's syllabus so it would be easier for you to follow and for me to grade.

Don't forget to come to the PTO meeting on Feb 13th, 2019 any question ,I would be more than happy to help with your child needs .

If you need anything email me at swtursla@gmail.com

Thank you .

P.S The spelling words are the same as last week's newsletter because of the bad weather ,This week we will start the New story for Literature.

## Weekly Plan

**Math** : working with numbers multiplication on 5s counting with fives.

Extra practice :addition & subtraction.

**Science**: How our body senses?

**Literature** : Reading "The Hole in the Dike."

**Social Studies**: Knowing our Continents and Oceans .

Reading with you child on a daily basis .

Talk to them about what you took in school .
