

1st Grade ICCI Academy

Mrs. Alwan Room 203

Jan 11 -15th 2021

Greetings & Happy New Year

Al Salam Alkuim w Rahmatuallah w Barataku Parents & Gradians ,

I hope everybody had a safe and nice winter break, by this time you will be checking the newsletters , and welcome class to our second school semester. Hopefully , anytime soon ,we will get our class story . Science Fair was postponed till Jan 14th

Every Thursday there will be a math , science ,reading and spelling test.

I will check on students homework on a daily basis.

Please make a simple project for your child it will count towards his/ her science grades.

Lesson Plans

Math : learning about fractions / Math book

Literature :**We're going on a bear hunt** Everything .working with worksheets in class

Science: Natural Resources
Working on the science projects . simple projects that suits 1st and 2nd grade
