Jan 19-22 2021

Greetings

Al Salam Alkuim w Rahmatuallah w Barataku Parents & Guardians ,

I hope everybody had a safe and nice winter break, by this time you will be checking the newsletters , and welcome class to our second school semester. Hopefully , anytime soon ,we will get our class story .

I would like to thank all the parents for their efforts that has been done working on their science projects.

Every Thursday there will be a math , science ,reading and spelling test.

I will check on students homework on a daily basis.

Please make a simple project for your child it will count towards his/ her science grades.
