## Greetings & Happy New Year

Al Salam Alkuim w Rahmatuallah w Barataku Parents & Gradians ,

I hope everybody had a safe and nice winter break, by this time you will be checking the newsletters , and welcome class to our second school semester.

Hopefully , anytime soon ,we will get our class story . Dates we need to remember is that our science fair project is going to be on Jan 7th ,2021 Every Thursday there will be a math , science ,reading and spelling test. I will check on students homework on a daily basis.

Please make a simple project for your child it will count towards his/ her science grades.
