Room 203

Nov 16- Nov 20

Al Salam Alkium Wa Rahamet Allah Wa Barakato

Dear parents ,and guardians

I would love to let you know that I am having a wonderful time with your children , I am liking their progress in my class , and so far we have learned a lot in class ,and the fun is yet to come.

We are learning to read better ,and getting smarter in each subject, so keep up your good work . Just a reminder please send healthy snack with you children. Make sure their uniforms are clean.

Spelling tests will be on Thursdays of each week. Please send a fresh water bottle with your child every day ,There is no water in the school because of COVID -19

Please encourage you child to read every night at home at least for 20 minutes a day.

Please send lunch and snacks with your child unless notified by school to not bring lunch .

P.S. Any student that does not attend eLearning classes on Friday is considered absent .

So I do take attendance on that day too.

Lesson Plans

Math : Money skills , learning how to solve word problems , learning about time telling. Homework is given through Splash Math ,and I know it websites.
