

Meet the teacher

Mrs. Tina

WELCOME

Welcome to the 2025-2026 school year! I am delighted to be the 4th grade teacher at ICCI Academy this year. I am home grown, meaning I am a student and fond community member of ICCI. I share a deep connection to this community and hope to inspire our youth to contribute to it and make it better for years to come inshallah!

ALL ABOUT ME

My name is Tahani Arman, however Tina is my nickname. I am a licensed teacher with a degree in elementary education and a math & science concepts minor. I also have various endorsements including general science, mathematics, and language arts. I look forward to using these skills in the classroom and watching my students grow!
