

2nd Grade ICCI Academy

Room 203

Dec 7th -Dec 11th

Greetings

Salem Alkum parents and guardians ,

So far we had a wonderful time with each other , I'm very proud of my 2nd grade class , I have seen such an improvement in their writing ,reading ,and math skills , This week with such short notice, we are working on a Science projects for our Science Fair which is on Dec 17th ,2020

Please make sure that they practice their English spelling words ,the test will be given for on Thursdays .

Read with them at home at least for 20 minutes a day. Please make sure to send healthy snacks with your child and a fresh water bottle too.

Lesson Plan

Math : Reviewing ,estimation , rounding, learning how to multiply by 0 ,1 and 2s

Literature :Albuelo and the Three Bears ,working with worksheets in class

Science: Working on the science projects . simple projects that suits 1st and 2nd grade

Social Studies : Land and Water Resources

Grammar: working on adverbs / and pronouns
