

# ICCI Academy 2nd Grade

Room 203

Oct25-29

## Greetings

AL Salam Alikum Dear Parents and Guardians

Yeah! This week we are going on a Fieldtrip to Seasons Orchard Fields. So get ready, all students must have their own lunch and must be on time . Lessons taught in science & social studies will be integrated with real-life applications: the growth cycle of butterflies, photosynthesis, harvesting, bees, and pollination.

Social Studies or Science will be notified in advance so you can study with your child at home.

Please turn in the homework on time, otherwise, students will get a 10 % deduction for every late day.

Please send your child with proper school attire and clean clothes.

Every week I will be posting my spelling and vocabulary words with my newsletter.

Please send with your child precooked meals, and do not send any lunch that needs to be done in school for lunch.

Please practice at home with your child on the spelling and vocabulary words given each week.

## Subjects

**Math:** Learning about How to solve money problems?

**Literature:** Click Clack Mow Cows that Type. All worksheets are done in class, unless not done It will be considered Homework.

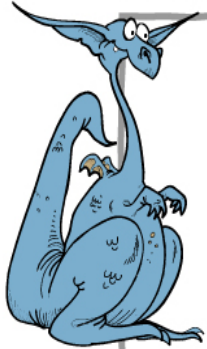

**Science:** All about Animals

Mammals
