

ICCI Academy

Mrs. Yusra Alwan 2nd Grade Room 203

August 31, 2020

Welcome Letter

Dear Parents,

I want to welcome you and your child to my classroom for what promises to be an exciting and productive year for all of us. What to Expect From Second Grade

- In second grade, students will continue to learn to read and write. However, they will begin to read more difficult stories as well as nonfiction.
- Students will be writing longer stories and creating reports on the information they have read.
- Students will be conducting scientific experiments in class about plants, magnets, and completing research projects on dinosaurs.
- Students will finish a family history project, report on famous Americans, and may have the opportunity to write a television commercial and/or create a short film.

How to help at Home

1. Read all notes from Mrs. Yusra and ask your students daily about what they are doing in class.
2. Listen to your child read every day for twenty minutes.
3. Read to your child regularly in English .
4. Take your child to the library to check out books.

Homework

Every week your child will write notes in their Reading & Vocabulary notebook
On Monday we will be taking the test on their reading skills ,spelling skills ,and other tests ,depending on the students progress in class .
Math : classwork and homework will be given to students according to the student's math skills in class.
Science : lesson checkpoints ,and science worksheets will be given to students.

Hope we have a wonderful year together ;)
