

# 4<sup>TH</sup> GRADE NEWSLETTER

May 18– May 22

## What's ahead...

### Reading

We are continuing with our novel study groups. Students are required to read 2-3 chapters every night and write a 2-3 sentence summary of each chapter. Our next quiz will be on Friday, May 22.

### Mathematics

For math we will continue comparing fractions and decimals. Our math quiz will be Tuesday, May 19.

### Science/ Social Studies

We will complete our in class projects about planets & size relativity. Students will present their models to the class and I will leave their work for display in the hallway. We'll have a science test on Wednesday, May 20. Afterwards, we will gear back to Social Studies to learn about the midwest region.
