## WHAT WE'RE LEARNING

3/30 - 4/3

### Reading

This week we reviewed beginning blends and ending blends. We also reviewed plural nouns, compound words. We reviewed contractions and sight words by playing bingo.

### Math

This week we reviewed tens and ones. We also reviewed ten more and ten less than a number. We will learn new content next week, and have a unit test on Tuesday April 14<sup>th</sup>.

### Social Studies

This week we focused more on science topics due to focusing on African American Heroes. Projects are due on April 7<sup>th</sup>.

### Science

This week we reviewed our Earth Science topics and learned about seasons. We ended our unit learning about the solar system as a whole.

## NOTE FROM THE TEACHER

Assalamu Alaikom parents!

As mentioned last week, we will make slight changes to our routine, like having weekly addition and subtraction tests. Weekly reading tests will come back and will focus on the sounds and sight words we're learning that week. It will only be a few sentences. Students will receive a decodable book on Fridays to do comprehension homework instead of Mondays.

Addition and subtraction quizzes will happen every Monday. Reading tests will continue to happen on Thursdays. Spelling tests will also continue to be Fridays.

I hope that as the year is coming to an end the students are prepared for their journey in 2<sup>nd</sup> grade.
