

SECOND GRADE NEWSLETTER

WEEK OF SEPTEMBER 28, 2026

MRS. REYAM (ROOM 102)

NOTE TO PARENTS / GUARDIANS

Assalamu Alaikum! 

I am looking forward to another wonderful week of learning, growing, and making good choices together, inshaAllah!

This week, we will officially begin our Guided Reading Bags. Each student will bring home a bag with 3-4 books selected based on their current reading level. Students should read their books every night and have their parent sign that they have read. Monday bags will be sent, Friday bags should be returned. The goal is for your child to be reading 20 minutes every night.

Please help your child take good care of the books, as these are classroom books that will be used by students throughout the year. All books must be in the same condition they were in when they were sent home. Please remind your child to keep the books away from food and drinks, avoid writing or drawing in them, and handle the pages gently.

We are excited to make reading at home a regular part of our weekly routine and help our students continue growing as readers! 

THIS WEEK'S LEARNING

MATH

- Mental Math Strategies for Subtraction (Unit 1, Lesson 2)

READING

- Beginning Digraphs – learning the sounds and words with sh, th, ch, and wh.
- Guided Reading Bags will go home with students along with a reading log every week.
- Writing about who, what, where, when, why, and how to demonstrate understanding of key details in a text.

SCIENCE

- Plant and Animal Relationships

SOCIAL STUDIES

- Governing the People: Main Idea and People
- Learning what/who helps run our communities and the people who help make decisions.

REMINDERS

- As the weather is getting cooler, please send a sweater or jacket with your child. Please label your child's belongings with their name whenever possible.
- Please check your child's Green Home Folder every night. Be sure to check both sides.
- School lunch is served Monday-Thursday. Please remember that students do not have access to a microwave, so lunches should not require heating.
- If you need to speak with me about your child, please do not approach me during morning arrival or dismissal. You are more than welcome to schedule a meeting during my prep hours or send me a message through ClassDojo. This allows me to give your concerns the time and attention they deserve.
