

Assalaamu Alaikom!

Welcome back to another wonderful year at ICCI Academy! I'm Mrs. Deena and I'm so excited to be back, alhamdulillah! I am the KG - 2nd Grade Quran and Islamic Studies teacher. I can't wait to explore the beauty of our Quran and religion with your kiddos.

A little about me, I have been with the ICCI for ten years now as a Volunteer, Staff Member, Teacher (6-8th Grade Science), Administrator (ICCI Quran Academy) and Youth Director (YMI). I have also worked & volunteered at various masajid around the state such as Palos, Orland Park, and MCC (Vice Principal) in various roles. I have a Bachelor's Degree in Child Psychology from DePaul University and have been working towards another in Islamic Studies.

I'm looking forward to creating a student centered classroom where students feel empowered to ask questions and be blossoming leaders as part of the next generation of our ummah.

Jazakum Allahu khair!
