

# 4<sup>TH</sup> GRADE NEWSLETTER

February 2 – February 6

## What's ahead...

### Reading & Language Arts

Students have completed their first drafts for their persuasive essays in class. Revisions were done in class as well. Over the weekend students will be required to type and print their essays and hand it in no later than **Tuesday, February 3**. We will continue in our unit and read about young inventors with our assessment scheduled for Friday, February 6.

### Mathematics

This week fourth grade will have a mid-unit test for math. We will spend the beginning of the week reviewing all the concepts including multiplying by multi-digit numbers and conversions. **We will have our mid-unit test on Thursday.**

### Science/ Social Studies

We will begin the week with a review on the history fair figures covered in class. **We'll have a test on Tuesday.** Study guides will be sent home Monday night to help students review.
