WHAT WE'RE LEARNING

Reading

This week we focused on the letter "O" sound. Students learned the sight words; do, they, that, and was.

Math

This week we focused on subtraction from ten. Students were assessed on their abilities to subtract.

Social Studies

This week we focused on different communities we can find around the world.

Science

This week we learned about parts of animals.

SPELLING WORDS

No New Spelling Words

NOTE FROM THE TEACHER

Assalamu Alaikom parents!

I want to first start off by saying Jazakallahu khairun for your patience during this transition. I know a switch of teachers 3 months into the school year is hard for both you and the students.

It was lovely getting to know you and your students this past week. I look forward for the rest of the year.

Due to a short week next week, we will focus on reviewing letter a and i letter sounds. along with basic addition and subtraction.

DON'T MISS THIS!
