

Hi My Name is  
Mrs. Saida and I  
will be your Arabic  
Teacher this year.

**Welcome to the 2025-2026  
School Year Kids !**

### **Education**

Assalamualaikum! I'm a full time Arabic teacher for students ranging from 2nd to 8th grade. I've always loved teaching Arabic, and I hold a bachelor's and master's degree from Palestinian institutions Birzeit University and Al Quds University.

### **Experience**

I've spent nine years teaching Arabic at Dar Al Hikma (ICCI), in addition to two years at MCC, and this will be my fourth year at Full Time.

I'm really looking forward to working with all of you amazing young people at Full Time. I'm excited to kick off this year together and see it through with success, growth, and lots of joy.
