

# 3rd Grade ICCI Academy

Room 203

Jan 10th- Jan 14 th

## Greetings

Al Salam Alkuim Parents and guardians

So far we are having a blast in school. 2nd & 3rd graders are exploring adventures in Antarctica with Steve and Natali a couple of penguins that raised their chicks together.

Please make sure to send a healthy snack with your child, wear the proper attire according to school regulations.

Every Friday there will be a spelling test, oral reading test, and a Math Exam. Projects for Science and Social Studies will be given throughout the year according to my lesson plans.
