

WELCOME TO THE CLASS

2026-2027

Ms. Esra

Hello students, my name is Ms. Esra and I am so happy to meet you. This will be my 5th year teaching at ICCI. I will be the math teacher for grades 6 to 8th and I am looking forward to learning with you. Let's have a great year!

Our Learning Focus

My goal is to make math more fun and enjoyable for my students while helping it feel less challenging and overwhelming. I want my students to feel more confident in math, be willing to make mistakes, and see that math can actually be something they enjoy.

- Respectful
- Curious
