

4TH GRADE NEWSLETTER

May 4– May 8

What's ahead...

Reading

We will continue reading our classroom novel *Holes*. Our class will have daily discussions about the text and we'll be writing reflective pieces on our daily reading. We'll have a quiz on our weekly reading this Friday, May 8.

Mathematics

Having conquered adding and subtracting like-fractions, we will now begin to add and subtract mixed numbers. We'll have our lesson 21 quiz on Friday, May 8.

Science/ Social Studies

On Monday we will present and discuss our in class projects about the northeast region. We will also review the chapter and prepare for the chapter test scheduled for Tuesday, May 5.
