

Dear Students and Families,

Assalamu Alaikum and warm greetings!

Welcome to a new academic year at ICCI Academy! My name is **Ms. Ayah Suleiman**, and I am excited to serve as your Social Studies teacher this year. I feel honored to be part of a school that values both academic excellence and strong moral character rooted in Islamic values.

In our Social Studies class, students will explore history, geography, cultures, governments, and current events — all through a lens that encourages critical thinking, meaningful discussions, and global awareness.

My goal is to create a supportive and engaging classroom where every student feels respected, challenged, and inspired to grow. Whether we're analyzing historical events, discussing world issues, or working on interactive projects, I want students to leave class each day feeling more curious, confident, and connected to the world around them.

I will be using the Remind App to keep you updated on classroom activities, homework, and important announcements.

Remind App Codes:

6th Grade: @fcc4gh

7th/8th Grade: @dh9k34

I look forward to an exciting and productive year together, insha'Allah!

Warm regards,

Ayah Suleiman
