

4TH GRADE NEWSLETTER

OCTOBER 26-30

4TH GRADE MATH

This week we will begin with our new unit in mathematics. We will compare multiplication facts. We will also use images to grasp a deeper understanding of multiplication as a process of repeated addition. **We will have our math quiz on Thursday, October 29.**

4TH GRADE READING & LANGUAGE ARTS

We will finalize our essays this week! Students will share and publish their work. They will be able to share their narratives with the class. Feel free to read your young writer's work when it is sent home.

*There is no reading or spelling test this week; **essays will count as a test grade!***

5TH GRADE MATH

Fifth grade will begin a new and exciting concept in mathematics, decimals! In order to review decimals we will first begin with an accelerated understanding of place value. Make sure to keep up as this concept can get tricky! **We will have our quiz on Thursday, October 29.**
