## WHAT WE'RE LEARNING

5/18-5/22

### Reading

This week students learned the long o sounds, oa & ow. Students also reviewed counting syllables. Students learned sight words, find, right, light, and little.

### Math

This week students were introduced to adding two digit numbers.

### Social Studies

This week students had a mini lesson on following the rules and using manners. They also learned about transportation in the past.

### Science

This week students reviewed animals and their offspring.

## SPELLING WORDS

No new spelling words

## NOTE FROM THE TEACHER

Assalamu Alaikom parents!

I have assigned some work on iReady that are meant as a review for students to do over break. It is completely optional and not for a grade.

Today I will send home students phonics and math workbooks as we will spend the rest of the school year reviewing sounds, grammar, and two digit addition.

As we are closing the school year please remember to pack a healthy snack and water for your child daily. Students must be wearing uniform unless told so.

Eid Mubarak and have a nice break! We will see you on June 1<sup>st</sup> for our Eid Celebration/ Field Day. 1<sup>st</sup> grade students will be wearing the color purple!
