

SECOND GRADE NEWSLETTER

WEEK OF SEPTEMBER 14, 2026

MRS. REYAM (ROOM 102)

NOTE TO PARENTS / GUARDIANS

Assalamu Alaikum!

Alhamdulillah, we are continuing to build a strong foundation in second grade! Our students are becoming more comfortable with our classroom routines and expectations, and I am proud to see them growing as responsible, respectful, and hardworking students. We also have lots of fun and exciting activities coming up, especially as we welcome the fall season! 🍂

Thank you for helping your child come to school ready to learn each day. Please continue to encourage your child to get a good night's sleep, eat a healthy breakfast, and come prepared with everything they need for a successful school day.

As we continue our academic learning, I encourage you to ask your child about what they are learning in class and celebrate their effort and progress. May Allah bless our students with beneficial knowledge, confidence, and success. Ameen!

THIS WEEK'S LEARNING

MATH

- Continuing addition strategies and skills
- Cont. Mental Math Strategies for Addition (Unit I, Lesson I)

READING

- Choosing books that interest us and support our reading growth
- Practicing reading independently and responding to what we read
- Cont. Getting Along With Others (Unit I, Lesson I)

SCIENCE

- Learning about the three states of matter: solids, liquids, and gases
- Learning how scientists observe, ask questions, and record their thinking

SOCIAL STUDIES

- Learning about our own communities
- Understanding how we can be responsible and helpful members of our community

REMINDERS

- iReady Diagnostic Testing for Reading this week.
- Please check your child's Green Home Folder every night. Be sure to check both sides.
- School lunch is served Monday-Thursday. Please remember that students do not have access to a microwave, so lunches should not require heating.
- If you need to speak with me about your child, please do not approach me during morning arrival or dismissal. You are more than welcome to schedule a meeting during my prep hours or send me a message through ClassDojo. This allows me to give your concerns the time and attention they deserve.
