

4TH GRADE NEWSLETTER

January 5– January 9

What's ahead...

Reading & Language Arts

Upon our safe return in January inshallah, fourth grade will begin Unit 2 of our curriculum dedicated to the theme of technology. We'll have 5 lessons (one week each) about different subtopics within technology including inventions, upgrades, and problem solvers.

Mathematics

For math we'll begin Unit 3 which is about multi-digit operations and measurements. The first lesson will be about multiplying three digit numbers by a one digit number.

Science/ Social Studies

We'll focus the beginning of the new year on history and history makers. I will assign each student a person for the history fair project and will dedicate time in class to history fair assistance.

Spelling words

architects, chemical, communication, develop, developing, invent, inventing, invention, method, telegrams

- *Do not forget to read for 25 minutes every evening!*
- *Please have 5 sharpened pencils ready for school every day.*
