

Welcome to Third Grade!

MEET THE TEACHER

Asalamu Alaikum! My name is Rouha Masoud and I will be this year's Third Grade Teacher inshallah. I graduated from UIC in 2024 with a Bachelors in Biological Sciences, a minor in Disability in Human Development, and a minor in Arabic. I am currently completing my masters degree in Special Education, and I received my teacher's license during the summer. I am also a Registered Behavioral Therapist. This is my second year working as a teacher at ICCI Academy. This year I will teach all subjects including Science, Math, Reading, Social Studies, and ELA for our amazing 3rd-grade students. I plan to make this year filled with activities to broaden your children's academic interests. I look forward to being a part of your child's adventure this year. Please know that I am here for your child and my door is always open. I encourage you to reach out to me at any time. May Allah SWT make this a successful year insha Allah!
