

Welcome letter

Assalam Alaikum

Dear ICCI Academy Students, Parents, Teachers,

I would like to thank you for inviting me to join the ICCI Academy for the second year as your associate principal. I want to welcome all of you back for the 2019-2020 school year.

I am excited to introduce myself as the associate principal of ICCI Academy Full Time School for the second year, as well as continuing to be the Arabic teacher for children. A little about myself, I obtained my bachelor degree in Arabic and Islamic studies in the University of Jordan, and I've also taken courses under the Master of Education at Northeastern University. I received certificate in Methods of Teaching. I have been working as an Arabic teacher at ICCI for over 13 years, I taught at UNRWA Amman High School for about two years along with teaching at Dar Al-Huda Saturday School for approximately four years. In 2013, I had the honor in becoming the principle at ICCI Sunday School.

I am excited and eager to bring my skills as an educational leader and work with you as a partner to ensure your child's success. I am energized and committed to making a positive difference in the lives of your children. To do so, we will set high academic expectations for all children by providing supportive systems to assure these expectations are met. Along with the teachers and staff, I will work hard to continue the success of the school by also building strong relationships with parents and the students themselves. I'm striving to build a positive school culture. An optimistic environment will enable us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open, and I welcome your input.

Please feel free to call or email me to discuss any concerns you might have throughout the school year.

I look forward to working with you as a team to work together to meet our goals and have a successful school year!

Sawsan Alsawi
