## Middle School

Dear Parents and Students,

Welcome back to classes! I have the great honor of teaching Social Studies to the Middle Schoolers this year. Sixth, seventh and eighth grade students will be invited to learn about our past, current and future world. Topics of World History will be discussed in Sixth grade. Seventh and Eighth grade classes will have greater focus on United States History and Illinois Government.

I invite all parents to participate by joining the class Remind App at <https://www.remind.com/join/icciss>.

With any questions, comments or concerns, parents may contact me at (773) 637-3755 ext. 4 or [icci.academy.r304@gmail.com](mailto:icci.academy.r304@gmail.com).

I look forward to having you, inshAllah!

Sincerely,  
Mrs. Amira
