

Dear Parents and Guardians,

2022-2023

Assalamu Alaykum, my name is Dina Albarghouthi and I will be this year's kindergarten teacher In Sha Allah. I have my bachelor's degree in psychology and a minor in Business administration. I have graduated from Florida International University. I am originally from Florida and moved to Chicago one year ago when I got married. This will be my fourth-year teaching kindergarten but my second-year teaching at ICCI Academy. I am excited to meet each and every one of you within the upcoming days.

Throughout the year, it is important to have a strong parent-teacher relationship. If at any time you have any questions or concerns, please contact me. You can email me at dina.albarghouthi@iccicommunity.org. Also, please check the school's website often and sign up for Remind app. Please have students come prepared on their first day. I will be signing up all parents up on clasdojo the first week. That's where I will be posting any updates and homework for my class. If you have any questions or concerns, you will also be able to message me on there. I look forward to having a great year with you all. Thank you!

Best,

Dina Albarghouthi
