A note from the teacher:

Salam wa alaykom!

We will be taking a break from spelling tests to allow for students to study for their Arabic spelling bee.

After noticing that the students are still struggling with addition to 5 and to 10, we will spend next week focusing on addition facts in math. In reading, we will focus on syllables, letter c and d sounds, and reading short stories.

😊 Miss Raneen & Miss Habiba

Upcoming events:
