

# **Mrs. Amal's Math and Science Weekly Newsletter**

**Week of May 27-May 31, 2019**

**Assalamu Alaykum Dear Parents,**

**I would like to congratulate all the 8<sup>th</sup> graders on their graduation. I am very proud of them all. I wish them all luck on their new journey to high school. I want to also remind parents that next Monday, May 27 is no school because of Memorial day. Next week will be the last week of school and on Friday May 31<sup>st</sup> is going to be report card pick up. We will mainly focus on cleaning up the classroom and cubbies. We will also organize the class for the next school year. As the school year approaches an end, I want all the students to know that it was a pleasure working with them. I hope they all enjoy their summer break. I hope everyone has a safe and joyful summer. May everyone's fasts and prayers be accepted inshallah. Ramadan and Eid Mubarak to all students and their family!**
