

Third Grade Newsletter

English

- This week we continued with our theme of City Wildlife through reading. We read a story titled "Make Way for Ducklings".
- Introduced to and familiarized with the genre fantasy.
- We were familiarized with our vocabulary words.
- We used the reading comprehension strategies: asking questions and predicting.
- We completed multiple spelling activities for our spelling list and a spelling test.
- Paragraph of the Week: My Favorite Subject

Math

- Reviewed U.S. Customary and metric units of length.
- Estimated and measured lengths to the nearest inch or centimeter.
- Reviewed shapes, and learned how to find the perimeter of shapes.

Science

- We took a quiz for chapter 2, and began chapter 3.
- Big Idea in Ch3.- When an environment changes, some organisms survive and reproduce; others die.
- We discussed how natural disasters change environments affecting living things in the area, how human repair environments, and how nature repairs itself after a disaster.

Extension Activities

- Read 30 minutes a day
- Use a ruler to find the perimeter of different shapes around your house
