

Ms. Saida Ajaj

Hello, my name is Ms. Saida. I teach first, second, and third grade arabic. Additionally, I teach kindergarten both islamic studies and quran. Having had the privilege of teaching for a few years now, I'm filled with enthusiasm to welcome both new and familiar faces into my classroom. As we set off on this journey of learning and discovery together, I look forward to making new connections and creating a nurturing environment where each student can thrive. Let's make this school year one filled with laughter, learning, and wonderful memories!
