Greetings

Dear parents,
 We are almost there, this is our third quarter, now its time for more educational fun, We need to work on our tardiness in the classroom, please make sure your child comes to school on time, According to CPS rules; for every three days of tardiness is equivalent to one day of absence. So parents when you transfer to another school in the near future it will affect your child's attendance record. Please make sure that your child **never** brings to school any personal belongings that are for the parents. It will be recorded on the student's school records.

Reminder **Spelling test** and **Literature comprehension assessments** on Fridays, Sometimes they will take a Math assessment test depending on what is covered for far.
