Social Studies

5th Grade

- Quizzes were passed back on Friday. All students must fix all mistakes made on their quiz, have parents sign their papers, and write a sentence on how they will improve their progress in the future.

We have finished with the geography section on the scientific process regarding the 7 continents.

We will start with the next chapter in the textbook.

6th Grade

- Quizzes were passed back on Friday. All students must fix all mistakes made on their quiz, have parents sign their papers, and write a sentence on how they will improve their progress in the future.

We will start a new chapter and discuss ancient Nubia.

7th Grade/8th Grade

- **Quizzes were passed back on Friday. All students must fix all mistakes made on their quiz, have parents sign their papers, and write a sentence on how they will improve their progress in the future.**

We will continue the Legal packet on US courts.
