ABOUT ME

Hello, Firsties! I am so excited to be your teacher for the 2022-2023 school year! Our year is going to be filled with lots of excitement and learning. I am so happy I get to be apart of it! I look forward to working with such a wonderful group of children. I graduated with a bachelor degree in Early Childhood Education and minor in Teaching English as a Second Language at Northeastern Illinois University in December 2020. Before graduating, I have worked in various other schools both assisting and teaching lessons. During my time in your child's class, I hope to excite your child about the world of learning and broaden his or her academic interests.

EXPECTATIONS

As your child's teacher, there are going to be expectations from both students and parents. First grade is an exciting but critical time in your child's development and growth. First grade focus is on Reading, Phonics, Spelling, Grammar, Math, Penmanship, Science, and Social Studies.

Many children struggle to succeed in these areas. You can help this year by listening to your child read nightly, helping them to learn their spelling words, and working with numbers, addition and subtraction facts, etc. Any help you give your child will help them succeed this year.

The following expectations are:

1. We will value one another as unique and special individuals
2. We will not laugh or make fun of a person's mistakes nor use sarcasm or put downs.
3. We will use good manners saying "Please" and "Thank You" and "Excuse Me" and allow others to go first.
4. We will cheer each other to success.
5. We will help each other when possible.
6. We will recognize every effort and applaud it.
7. We will encourage each other to do our best.
8. We will practice virtuous living, using the Life Principle
