- Parents I was thinking to create “bringing snack for students” by the Parents & by the teacher once a month for the students. I will start with the first names in Alphabetic order. Parents will be responsible to bring snacks for the students once a month!! Please let me know, if you prefer to bring your child's own snack!
- Please be informed, if your child's is going to be absent, please inform me ahead of time!
- Please be informed that in the morning time, students have a chance of free play where all the areas are open from 8:15-8:45am!
- At 9:00 am I start circle time and then I

start of with my lessons. If your child comes to school late, it will throw her/him off schedule!

I would like to take the time to say “**Thank you**” to all the parents for all your hard work!

Have a wonderful weekend!!! ☐
