

2nd Grade Newsletter

Room 203

Nov 2nd - Nov 6th

Al Salam Alkium Wa Rahamet Allah Wa Barakato

Dear parents ,and guardians

I would love to let you know that I am having a wonderful time with your children , I am liking their progress in my class , and so far we have learned a lot in class ,and the fun is yet to come.

We are learning to read better ,and getting smarter in each subject, so keep up your good work . Just a reminder please send healthy snack with you children. Make sure their uniforms are clean. Science Project My Animal Report Project is due on Monday Nov, 9th ,2020 . Please do not send them late ,everyday its late I will deduct 10 % as a penalty.

Spelling tests will be on Thursdays of each week.

Please make sure that your child has a fresh water bottle when he/she comes to school ,the school does not provide water due to the COVID -19

Lesson Plans

Math : Money skills , learning how to solve word problems , learning about time telling. Homework is given through Splash Math ,and I know it websites.

Literature :Dona Flor ,worksheets are given according to class's progress.
