

2nd Grade ICCI Academy

Room 203

May 24- 28th

Greetings

Salam Alaikum , parents & guardians

We had a full week of learning excitement, we are observing our seeds turning into plants, learning about the **Venus fly plant**, and our **hermit crabs**

I really appreciate all the parents working with their children on the science project **The properties of Matter**. Special thanks to all of you.

Remember each week on Thursday, we have a spelling, oral reading test, and a comprehension test.
