## Greetings

Dear Parents,

Thanks for all your efforts and your child's effort, As I said: "Online learning is different from traditional learning, It's called DISTANCE Learning because it is not face-to-face learning.

My daily routine has changed: I will be having a live meeting with you on the subject given that day for one hour, showing and representing my lesson, using teacher's tools such as a PowerPoint Presentation, an educational youtube video, or a Prezi presentation. I will take ATTENDANCE in the first meeting after that meeting, I will consider him/her tardy.

I also will post all your lessons as PDF files that are shared with all the students in the class meeting, so IF ANY STUDENT DOES NOT UNDERSTAND THE LESSON THAT MRS. YUSRA HAS EXPLAINED, THEY MAY READ THE LESSON AT HOME ANY TIME WITH THE PARENTS TO ANSWER THE WORKSHEETS.

AFTER that If you need any help with your assignments, I will take any questions through taking notes online and writing it down in notes in the Microsoft Teams Forum.
