Literacy News

- We will review what we have been learning for the past five weeks and end it with a unit test!
- Phonics: We will be reviewing the digraphs, long and short vowel sounds.
- Writing: We will continue to work on sentences.
- Grammar: We will be reviewing contractions and compounds.
- Spelling: We will have spelling bee competition with all the spelling words we have practiced in the past five weeks.
- There will be a unit test on Friday, October 22nd.

If you find that your child is memorizing the story- Please have them read the story backwards (Read each sentence from the last word to the first word), this will ensure that they are actually reading the words and not repeating the story from memorization.

Social Studies/Science

We are continuing to add on to our autobiography book! The students are working slowly to figure who they are as a person!

We are starting to put in the work for our science fair! Students now know what is the scientific method and will use the steps to achieve their project. They should have completed step 1 and 2 by Monday, December 6th.

Math News

We are still in topic 2!
Students will be learning the following concepts for the next 35 school days!

What we have covered so far:

- Count on to Add
- Doubles
- Near Doubles
- Facts with 5 on a Ten Frame
- Add in any order
- Count Back to Subtract
- Think Addition to Subtract

What we have not covered yet:

- Solve Word Problems with Facts to 10

Reminders

- Spelling and Reading Test is every Friday!
- Daily reading of 20 minutes and check off one box for tic tac toe!
- Science Fair is on December 16th.
- Spelling Bee Competition on December 8th.
