

WELCOME TO THE ARABIC CLASS

2020-2021

Dear parents and students,

I am very excited to be your children's Arabic teacher for the 2020-2021 school year. I will also be the associate principal of the ICCI Academy.

I obtained my bachelor degree in Arabic and Islamic studies at the University of Jordan, I have taken courses under the Master of Education at Northeastern University. I have also obtained certification in Methods of Teaching. I taught at UNRWA Amman High School for about two years. I began teaching in America at Dar Al-Huda Saturday School for approximately four years. I began working as an Arabic teacher at the ICCI Academy over 14 years ago. In 2013, I had the honor in becoming the principle at ICCI Sunday School. In 2018, I accepted the position of associate principle at the ICCI Academy.

Welcome parents and students to the 2020-2021 school year. We all know that this year is going to be a little different. We are committed to a standard of excellence both with safety with academic integrity.

The safety of our students is our top priority. We are planning a safe return to school based on the state, local, and CDC guidelines. We urge all of you to make sure you constantly keep your mask on, wash your hands, and social distance yourselves.

Our biggest concern is to have the students learn as much and efficiently as possible. We expect you as students to give your best efforts, and at the ICCI Academy we also make sure our staff gives their best efforts.

Please be safe, study hard, and follow school rules.

I look forward to having a wonderful 2020-2021 school year.
